\*All features of the house are high-end, very comfortable, and spacious. Every effort will be made to accommodate your sleeping preferences. Because this is a family style retreat, I encourage you to bring a housecoat, or comfortable loungewear in case you need to get up in the night, or if you just want to hang out in your pajamas all day. There is a long porch with lots of rocking chairs.

The house is part of the Michaywe development, located near Gaylord. I will provide a map upon registration. Use of the clubhouse facilities, including an indoor pool, hot tub, and sauna are included. The adjacent golf course may still be open at fall rates.

Please notify me if you have any food allergies or sensitivities. Meals will all be prepared in-house and served family-style.

Wine will be provided. If you want to bring other beverages, you are welcome to. You may also bring snacks to share.

Absolutely no smoking in the house, and no pets.

There is WiFi, but cell phone coverage can be a little bit spotty.
